

METFORD RECREATION RESERVE KEY PLAN

LEGEND

- | | |
|--------------------------|----------------------------|
| Lot boundary | Plain concrete paving |
| Existing fence | Rubber soft fall |
| Existing contours | Mulch soft fall |
| Existing lighting pole | Timber sleepers |
| Existing trees | Sandstone logs |
| Existing building | Play equipment safety zone |
| Existing picnic shelters | Mass planting |

KEYS

- ① Existing pedestrian footpath and gate
- ② Existing cricket net to be retained
- ③ Proposed themed play unit with slide
- ④ Proposed climbing equipment
- ⑤ Proposed nature play area
- ⑥ Proposed musical equipment
- ⑦ Proposed swings
- ⑧ Proposed accessible concrete footpath and new gate
- ⑨ Proposed shade sail
- ⑩ Proposed timber sleepers

DESIGN BRIEF

Accessible concrete footpath connects existing picnic shelters and surrounds the playground, links to the top of grass mound. There are mass planting surrounding the nature play area. Timber sleepers lead a natural access to the mound and a drum from the playground. The playground has full access for wheelchairs and covered by a shade sail.
